

O2b-pat

The plan to start the JAIR2018 Topological group

This week is the second week of classes & all the courses (except physics 140) has released all their mid term dates. Hopefull All-examinations <sup>(;))</sup> does see it and put me in my desired timeslots for these courses. Sussy can I please request you to print them out in 11x17 please. Passwords and Accounts transfer started for JAIR2018

Meeting with Professor Ozzy Mermut-

1) Talked with professor Ozzy about why I am worried, the answer was obviously clear I was memorising and not learning the content. 2) My mind is plastic, it is able to mold itself and adapt to new things | I just don't wanna do it.

DON'T PLAY

Minecraft.

Meeting with

1) Continue to experience push back and <sup>in the MATCAB</sup> raise my concern to my professor if a graduate student is unable to solve a math problem, how do you expect a undergraduate like me to solve if

2) Put ALL

TO do List

1. well strong
- 2.
- 3.
- 4.
- 5.

Prepare a list before during a monthly calendar & then plot all the <sup>monthly (daily) events</sup> into the calendar.

Saturday

I need to find the motivation to do things, ~~the~~ Raymond reminding me 1:30pm doesn't help

Create your task schedule list for the following week

Getting Preparation

Meeting with Raymond

I prefer Raymond then the new people that replaced Dana as they are still new and learning like me. Nobody wants to learn from a noob. I must say Raymond is very insightful and will help me if I need help.
