

September 16

- ✗ Get to change my programme to Specialised Honours in Applied Math to only Honours in Mathematics (well now does not need to take Real Analysis I & II)
- ✗ Meet Min and talk about next phases of my academic plan, now
- ✗ Talked to Claudio about converting DVDs to -mp4 files and how to do it

September 17

- ✗ Talked to Professor Paul Delany, then talked to about Mastering Physics, who marked it (if machine marked) & labs (TA was OK but lets see my marks).

September 18

- ✗ Watched Frozen, well first half & did some other stuff. *
Plan to do Video & Audio
- Update & Connect my GitHub site to ~~GitHub~~ Azure devops (Better send books too)
- ↳ For my website

- Upload and Rename Audio
- Try transferring Archive (before github came)
- Put all index.html files in AC.
- Try and do videos { templates? -html. }
