Meeting with Professor Ozzy Mernit-

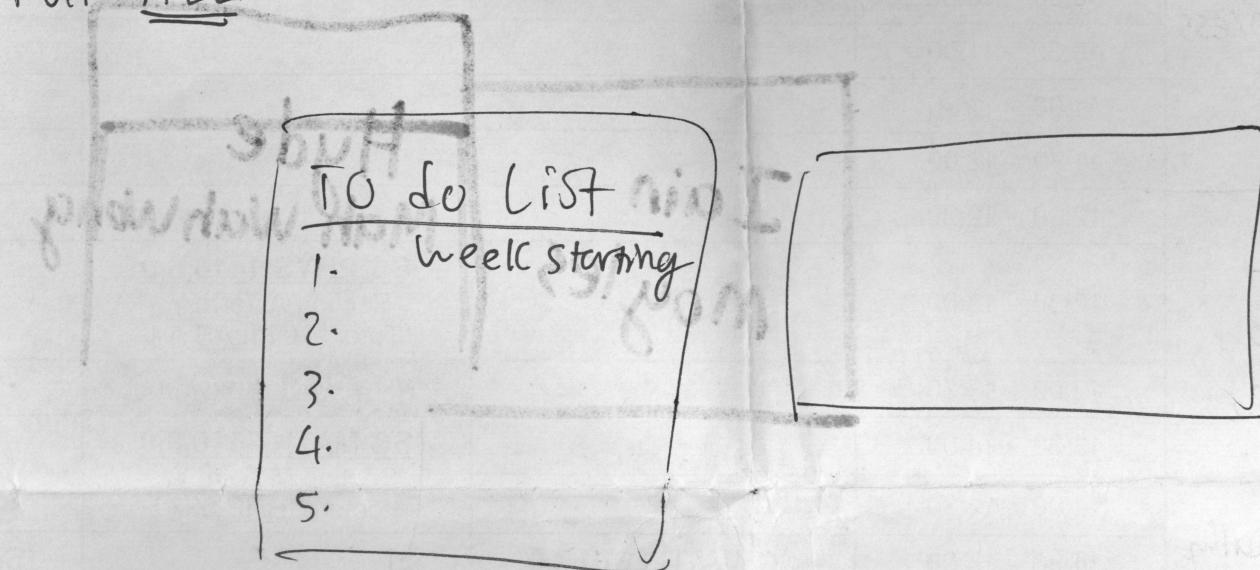

I talked with professor Ozzy about why I am worried, the answer was obviously clear, I was memorising and not learning the content. ② My mind is plastic, it is able to mold itself and adapt to new things [I just don't wanna do it.]

DON'T PLAY WITH Minecraft.

Meeting with in the MATLAB
1) Continue to experience push back and raise my concern to my professor if a graduate student

is unable to solve a math problem, how do you expect a undergraduate like me to solve it

2) Put ALL

Meeting with Raymond

I prefer raymond then the new people that replaced Dana as they are still new and learning like me. Nobody wants to learn from a noob. I must say Raymond is very insightful and will help me if I need help.
