for Ozzy Mernut-

or Ozzy about why I am worried, the  
I clear, I was memorising and not learning the  
is plastic, it is able to mold itself and adapt  
don't wanna do it.,

Meeting with in the MATLAB  
1) Continue to experience push back and raise my concern to my professor if a graduate student

is unable to solve a math problem, how do you expect a undergraduate like me to solve it

2) Put ALL

Saturday

1:30PM

Create your task schedule  
List for the following week

Getting Preparation

Meeting with Raymond

I prefer raymond then the new people that replaced Dana as they  
are still no... and learning life ns. Nobody wants to learn from a
