September 4

Update my own course pages, put mistakes in [Not done]

also, all the people teaching the course randomly changed overnight 😐. Put notes also

September 5

Update my own course pages, put mistakes in

also, add Money & Finances Receipts in ledger format and add templates. Makes notes and scan them

for EM, AI & PS. Professor Paul said he does

not expect me to know how to solve the question before the class starts (lucky). 😊. Do emails send out and do Mastering Physics & Due Assignment 1 next Wednesday (at 10:00pm)

## September 6

① Do Homework Assignments (Mastering Physics?) and Latex (TexWorks)

② Do Template for Academic Penseve

③ Do /ups

④ Prepare all pages for classes, Cambridge.
